# Wire Cages

Durable, affordable grow out cages

## Description

Hoopers Island Oyster Co's double stacked cages are available in three sizes. They can be purchased assembled, as pre-cut kits or custom built to your specifications. Constructed with 14-16 gauge vinyl coated wire mesh, our cages deliver outstanding oyster growth.

## Features

- Staple-reinforced mesh point corners and attached stands
- End caps that elongate and strengthen stands
- 25% more reinforcement staples and clips compared to our competitors

## Specifications

- 3' x 4' cages with 1 or ¾ inch mesh
- Bridles included

## Price

See reverse for information  
*Bulk pricing available*

## Terms

- Lead time is approximately 45 days from placing a 50% deposit
- Extended Spring lead time due to order volume
- Full payment required prior to shipping
- Add 3% for credit card orders
