3rd Annual Chesapeake Heritage Series Tin **Sunrise on Fishing Bay**

AN ORIGINAL WATERCOLOR BY LESLEY GILES

Dorchester Center for the Arts

George P. Todd Performing Arts Center

The 2019 Heritage Tin celebrates Dorchester County watermen. Featuring the art of Cambridge resident Lesley Giles, the original watercolor is rendered in vibrant shades of crimson, salmon and gold. Her design captures the tradition of hand tonging for oysters as the sun rises over the Hoopers Island's iconic lighthouse.

The 2019 commemorative tin is the perfect gift for oyster, antique and Eastern Shore lovers alike!
