

Bonnie's SEAFOOD SHACK & RAW BAR

FREQUENTLY ASKED QUESTIONS

Can I schedule Bonnie's Seafood Shack for a private party or event?

Absolutely! Call (410) 397-3664 or email info@hoopersisland.com

Does Bonnie travel?

You bet! That's why she's on wheels! Since we're based in Cambridge, we primarily serve the Eastern Shore, Delaware beaches and DC-Baltimore metro area. If you're located further than 50 miles from Cambridge, a fuel surcharge will be added.

Is there a minimum number of people or cost?

While our catered event menus are based on 50 people, we have options for smaller groups starting at \$2,900. Individual package prices range from \$58 to \$98 per person.

What kinds of seafood do you serve?

Our seafood feasts range from delicious Maryland crabs to the incredible "Taste of the Chesapeake" featuring steamed crabs, shrimp, oysters, clams, snow crab clusters, corn and potatoes. You can see our different menus at: www.hoopersisland.com/seafood-shack

What is included?

In addition to the wonderful seafood you'll enjoy, we bring table paper, souvenir crab mallets (yours to keep!), napkins, plates, utensils, spices, cocktail sauces and butter.

Is there anything we need to provide?

All we need from you is a level surface to set the trailer and two 6' serving tables. You are free to provide anything else you'd like to serve your guests including drinks, desserts or sides.

How can I reserve Bonnie for my event?

Once we've confirmed availability and selected the menu, a 50% deposit is required to schedule your date.

Is there a cancellation policy?

We certainly understand that life can take unexpected turns. If an unforeseen emergency occurs, we will work with you to find a replacement date. The terms are detailed in the contract and vary depending on event size and dates.

Who is Bonnie?

Our mobile seafood truck is named after our owner's mother. Miss Bonnie was born and grew up on Hoopers Island. She picked crabs when she was young and enjoyed a successful career while raising her own family and giving back to her community.

Can we enjoy Bonnie's Seafood Shack traveling to or through Cambridge?

Absolutely! When not scheduled at private events, our trailer serves steamed crabs, shrimp, clams and oysters outside our Seafood Market (837 Chesapeake Drive). You can order it to go or enjoy eating it on site at one of our picnic tables.
